

The Winter Chill Auction Gala

January 2018

Dear Friend:

For over 58 years, Corpus Christi Catholic School has been a small school making a big difference in the lives of our students. Affirmed by our mission statement, we are a diverse community committed to sharing our faith, and to challenging the whole child through academic excellence, physical development, and social-emotional growth in a respectful and supportive environment.

Our *2017 Annual Auction Celebration of Faith and Education* originally scheduled for October 21, 2017, has been rescheduled to February 3, 2018 knowing that so many in our community have been impacted by Hurricane Harvey. Corpus Christi Catholic School's early beginnings connect us to the school we are today, a school where each child is known and loved individually. We rely on the generosity of donors like you who help make our vision a reality.

Would you please consider supporting our Auction, and the education it makes possible, with your donation of an item or gift certificate?

With the challenge of ever-increasing costs in our economy, the Corpus Christi Catholic School heritage of providing excellence for every student, regardless of financial need, makes the dollars we raise in this event very important.

All donations are tax deductible and will be verified with a receipt to ensure that all items, and their value, meet IRS requirements. Further recognition is noted at the Auction, with appropriate acknowledgement of donor generosity.

On behalf of the entire Corpus Christi Catholic School community, thank you in advance for your generosity. Please do not hesitate to call Ofelia Stevens, Auction Gala Chair, or Susan Miller, Advancement Director, with questions regarding this request.

Kind regards,

Ofelia Stevens (*Alex 6th grade, Matthew 2015*)
