Diamond Jubilee Auction Gala

Colt Community –

Please mark your calendars for our annual auction gala and dinner on Saturday, February 9, 2019! The auction is one of the school's largest fundraisers and helps the school make investments in technology, facility improvements, and staff development.

The CCCS campus will be transformed for this wonderful event. Here is a little preview of what you can expect:

Silent Auction – bid on a variety of merchandise, gift cards, services, and events. There is something for everyone and items in every price range.

Live Auction – some familiar faces will be our auctioneers and lead us through bidding on fantastic vacations and experiences. Watch future editions of this auction communication blast for more details!

Big Board – a fun combination of silent auction and live auction for certain unique items. CCCS parents will assist in soliciting our bids and putting our names on the board. Be prepared for some friendly competition!

Dinner – enjoy a delicious meal with friends and family!

The biggest party of the year requires the help of many. Please join us at our next auction meeting on Thursday, November 29th at 6pm. You will learn about the many opportunities you have to help make this year's auction the most successful yet! Committees include:

- Underwriting
- Publicity
- Acquisitions
- Decorations
- Logistics (Setup, Cleanup);
- and More!

We have a great team of parents already working hard to make it a successful evening. Whether you are a seasoned auction supporter or brand new to our Colt community – we welcome you and look forward to planning a great event with you!

What You Can Do Now:

- **BE CREATIVE:** Each year every class collects items for a themed basket and completes a class project for the auction. Be on the lookout for an email from your student's homeroom parent with more details. Suggest a theme.
- **MARK YOUR CALENDAR:** Attend the auction meeting on November 29th.
