Corpus Christi Catholic School Parent,

The fall season is upon us and the 2018/2019 school year is underway. As-is tradition at this time of year, it's also time to kick-off **The Fund for Corpus Christi Catholic School**.

As parents of children at Corpus Christi since 2010, we hope you are as excited as we are to see the excellence in our students' growth and education continue. This excellence is supported by strong faculty and leadership; and made possible in part by the underlying funding required to make all things possible at Corpus Christi.

As our entire community is aware, tuition alone does not cover 100% of the cost to educate our students. **The Fund is the largest fundraiser on campus that helps to close the gap between tuition and the actual cost to educate a child.** The gap between tuition and the actual cost is approximately \$2000 per student. Donations that are collected through The Fund are applied directly to the cost of professional development for teachers, supplies and books for the classroom, ongoing maintenance and improvement of the buildings and our campus, and important initiatives aligning with the School's Strategic Plan that support the education of our students.

We have a wonderfully supportive and caring community of teachers, parents, students and parishioners at Corpus Christi, and a strong history of giving, in support of **The Fund**.

Please consider donating to **The Fund** and enhance the life of a Corpus Christi Catholic School student. We are challenging the school community (faculty, parents) with the goal of 100% participation. It does not matter the size of a gift; all opportunities of giving are a chance to pass your love of this school, and its education, along to our students.

As Mother Teresa said:

*"It's not how much we give, but how much love we put into giving."*

We hope you join us in our love of this school, and in supporting this fundamental aspect of our community's education.

Thank you,

Brian and Cathy Richard
